

JOHNS HOPKINS UNIVERSITY
MATHEMATICS DEPARTMENT

UNDERGRADUATE TEACHING ASSISTANT
PLEDGE OF OFFICE

As a teaching assistant for the Department of Mathematics, I will:

- Ensure equitable treatment of all students by fostering an inclusive learning environment free from bias or discrimination.
- Perform all TA duties within the timelines provided.
- Avoid making derogatory remarks when correcting errors in students' solutions.
- Encourage collaboration among students while upholding academic integrity standards.
- Treat homework, exam papers and grades as confidential information that may ONLY be shared with personnel responsible for the course.
- Maintain open communication with the course instructor regarding any students encountering significant challenges with course material or exhibiting a sudden decline in academic performance.
- Promptly alert the course instructor of any suspected impropriety I may detect.

I understand that my service as a teaching assistant may be terminated if I do not adhere to the above, and that such violation may be brought to the attention of the Undergraduate Academic Ethics Board.
